

185—16.11(123) Tapping accessories and coil cleaning service. An industry member may sell tapping accessories, identified in rule 16.1(123), and carbon dioxide to a retailer at not less than the industry member's laid-in cost. An industry member may sell, furnish or give wine and beer coil cleaning services to a retailer.

This rule is intended to implement Iowa Code sections 123.45 and 123.186.
